

Privacy Notice COVID-19 Rapid Testing

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing privacy notices to individuals where we are processing their personal data.

We, WMG Academy for Young Engineers, are the 'data controller' for the purposes of data protection law. Our data protection officer is Ethan Harries, Executive Assistant (see 'Contact us' below).

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at WMG Academy for Young Engineers, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation.

WMG Academy for Young Engineers is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the Academy to ensure we meet our public health and safeguarding legal obligations.

Personal Data relating to staff is processed under the legitimate interest of WMG Academy for Young Engineers to ensure we can minimise the spread of COVID-19 in a timely manner and enable us to continue to deliver education services safely and securely

If you decline a test, we record your decision under the legitimate interest of school in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes and where it is carried out by professional with a duty of confidentiality.

Data Controllorship is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them. For more information about what they do with your data please see the Test and Trace [Privacy Notice](#).
